Valentine's Day Lunch

On Sunday, February 14, our church will enjoy a Valentine's Day lunch together in the Fellowship Hall after the morning service. Our church greatly misses gathering together in fellowship. Even so, we will make sure that we responsibly maintain safe distances and practices throughout the meal, just as restaurants do. We will offer takeout for anyone who would like it, and we also want to provide the meal to any members who are not yet leaving their homes for church services.

We ask that you RSVP whether you are staying, taking out, or want delivery. We are looking forward to sharing the love of Christ with each other, and especially you.

Upcoming Sermons: Sunday mornings at 11:00AM

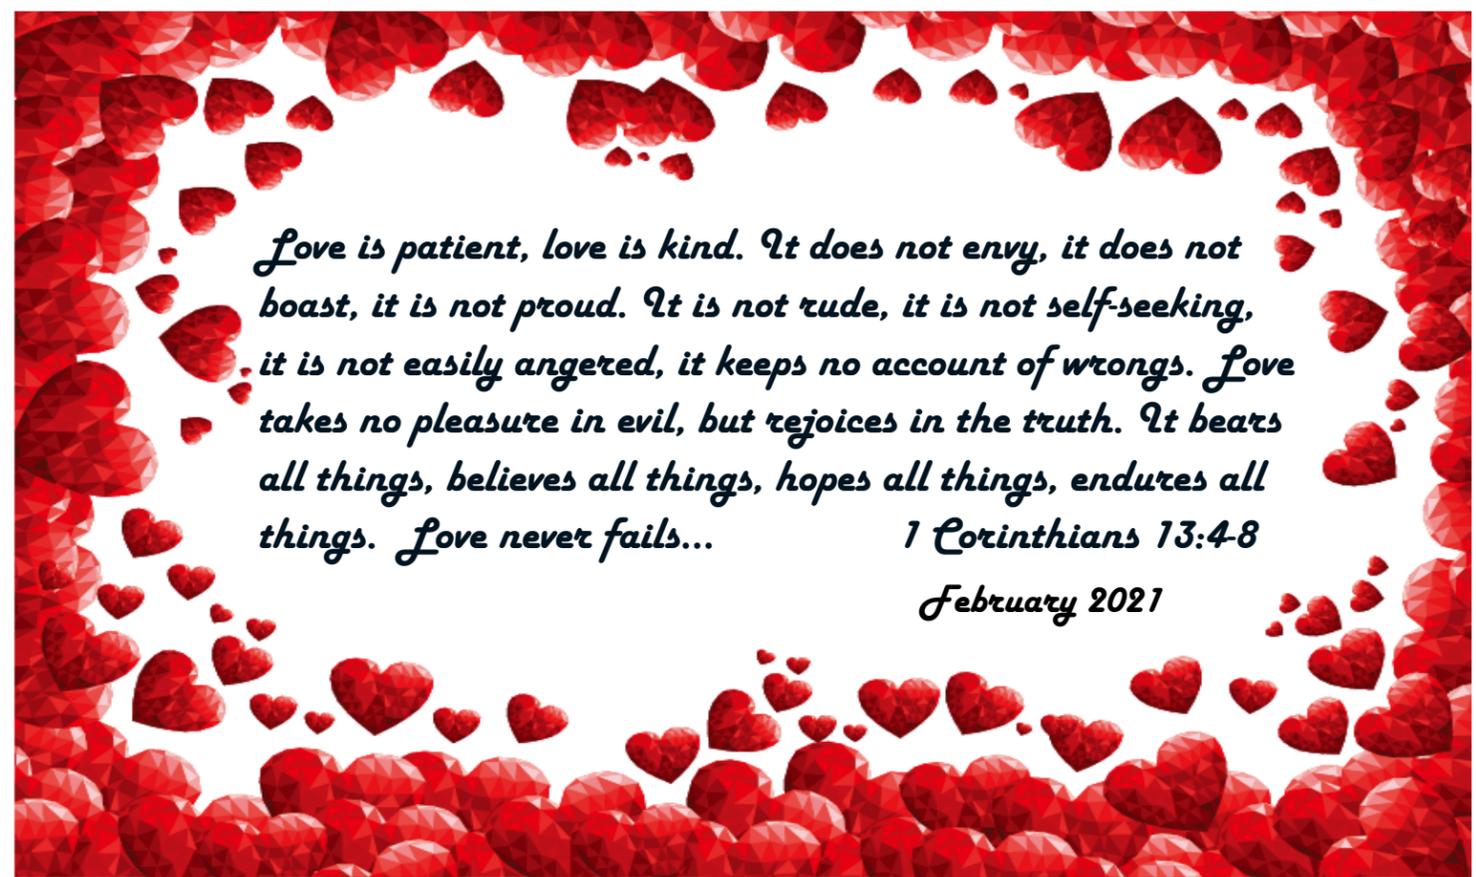

February 7- "The Purpose of Life"
Who can tell you the purpose of life? The Dalai Lama? Your parents? Your own heart? To set your life on the right path, and to find the reason God placed you in the earth, you have no need to seek further than Jesus, God's Son. He shares with us the reason for life, and recenters our lives in the midst of this confused and restless world.

February 14 "The Best Kind of Marriage"
This past year, we were exposed to more than just COVID-19. We got a good dose of reality. The pressures of quarantine and career exposed marriage weaknesses we have long overlooked. How can we have the kind of romantic love affair we hoped for in our youth? How can we create the kind of steady, faithful commitment that the older marriages enjoy, and which the world tells us no longer exists? Join us so that you also can build the best kind of marriage with your spouse.

Where is God's love?

Everyone feels the tension in the world today. Troubles abound, and we check the news every morning, looking to see what new worry, or fight, or awful thing has happened. Where is God's love? How can any of this bring about any good?
Rom 8:28 says, "And we know that all things work together for good to those who love God, to those who are called according to His purpose." God's love is evident for those who love him, in that he purposely, without fail, makes every work in heaven and on earth to benefit them. Whether it is the saving work of Jesus upon hopeless man, bound under sin, or whether it is distress, persecution, famine, or the sword, we cannot be separated from the love of Christ. The year 2020 was an expression of God's love for us, and in every situation, he was present, turning it in some unseen way to our eventual blessing. 2021 will be no different. The love of God for you never changes.
